

Alcohol and Substance Misuse Policy

At Snowdrop Cottage we are committed to taking all necessary steps to keep children safe and well. This includes making sure that children are not exposed to adults who may be under the influence of alcohol or other substances that may affect their ability to care for them.

This policy is in line with the Health and Safety at Work Act 1974 and The Misuse of Drugs Act 1971. This should be read in conjunction with the Safeguarding children and child protection policy, Disciplinary procedure and Suitability of staff policy.

Alcohol

Under the Health and Safety at Work Act 1974, companies have a legal requirement to provide a safe working environment for all of their employees.

Anyone who arrives at the nursery clearly under the influence of alcohol or illegal drugs (or any other substance including medication, that affects their ability to care for children) will be asked to leave.

If they are a parent, the nursery manager and/or designated safeguarding lead will judge if the parent is suitable to care for the child. This may involve calling the second contact on the child's registration form to collect them. If a child is thought to be at risk the nursery will follow the Safeguarding children and child protection procedures. If anyone arrives at the nursery in control of a car under the influence of alcohol the police will be contacted.

The nursery manager will contact the police if anyone (including staff, students, volunteers, contractors and visitors) is suspected of being in possession of illegal drugs or if they are driving or may drive when under the influence of illegal drugs.

Safeguarding and child protection

If a parent is clearly over the alcohol limit or under the influence of illegal drugs, and it is believed the child is at risk, we will follow our Safeguarding children and child protection procedures, contacting the local authority children's social care team and the police.

Staff will do their utmost to prevent a child from travelling in a vehicle driven by a parent suspected of being over the alcohol limit or under the influence of illegal drugs. If necessary, the police will be called.

Where an illegal act is suspected to have taken place, the police will be called.
